

Brian Jolivette/Houston Hoops Tournament Registration Process

Over the past few years many of you have provided feedback or suggestions to improve our tournaments. Well, we have decided to implement the following changes to our registration process effective immediately:

1. **Require teams to enter roster information.** Scoresheets will be populated from the roster information entered by each team. No longer are teams required to complete the scoresheets before each game. Also, the rosters will be entered one time and used to register for all of our events.
2. **Teams can provide additional notes for scheduling restrictions, travel information, and identify coaches coaching multiple teams.** This information is provided to our schedulers to consider when constructing the schedule.
3. **Promotional codes will be used for multiple team discounts.** Contact Brian Jolivette for promotional codes when registering multiple teams.

See instructions provided on the following pages....
