From Rivals:

A hybrid player who can play multiple positions with his skill set and ability to create with the ball. He has the body to overpower defenders to the rim and is great at drawing contact and getting to the free throw line (15 attempts in Friday's morning game). His perimeter shot was not falling but he was able to create 18 points with penetration to the hole and free shots. He has a solid looking jumper, handles the ball well for his size and can zip a pass cross court to an open shooter with ease.
